

ALUMINUM

*offers durable covers
in four modern colors.*

As printed representations, these swatches may vary from actual colors. For exact colors, please request our Cover Selector with actual cover samples. When ordering, please specify both cover color and cover number.

PC = Post-consumer Content
The recycled content of our covers is important to us and to many of our customers — that's why we state the post-consumer recycled content on each swatch.

Swatches marked like the one on the left come with a black paperboard back cover. Please call our sales department for other back cover options.
